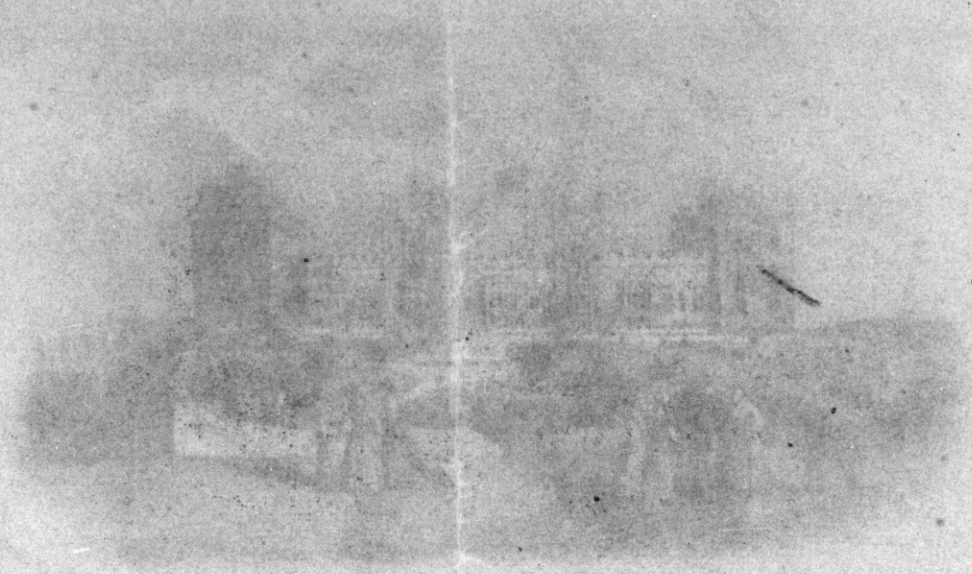
My Dear Mamma

When you know what Aunt Rosalind's little girl is to be called will you tell me as there is a Rosa-lind and a Jane besides



her. I hope and think she will be called Rose. Dont you? Will you tell me when you write next Emily's Shelly's and your birth-day and when Aunt Rosalinds little girl was born; for Aunt is making a Huntage because she can't remember the names of all Grandpapa's grandchildren. Will you tell Walter I like the verses very much. I get on very slowly with my dancing. Will you give my love to all.

I Remain Your
Affectionate Daughter
Margaret Anne Leigh
Hunt.
